To search these collections:

Keyword search the Enhanced Catalog – [http://encore.unk.edu](http://encore.unk.edu) – on your topic. If there are LAC or LEL titles which match your search, click on “Microform Room” in the Location box to view these titles.

**IMPORTANT:** For any LAC/LEL titles you want to view, note the title of the work and the LAC or LEL number that appears at the end of a call number, as shown below.

To check for online access in Google Books:

Some LAC and LEL titles have been digitized by Google Books in cooperation with other libraries. To check for online access, go to [http://books.google.com](http://books.google.com) and search by the title of the LAC/LEL work you’ve identified in the Enhanced Catalog.

Even if the LAC/LEL work you’ve identified is not available in Google Books, it should be available on microfiche within the library’s Microform Room (Lower Level).

Need help? Ask a library staff member in the Curriculum Offices next door, or at the Reference or Circulation Desks on the library’s main level.
