Handling Security Errors

Due to circumstances beyond our control, some databases, including the Chicago Manual of Style, are currently giving out security errors. There is NOT any security threat; it’s merely a website configuration issue. Below are instructions for bypassing this warning in several browsers. If your preferred browser is not covered, and/or you need assistance with this process, please contact Laurinda Weisse at weissell@unk.edu.

Chrome, Step 1

[Image of Chrome browser window showing a privacy error]

Chrome, Step 2

[Image of Chrome browser window showing a privacy error with a highlighted link to proceed]

Proceed to 0-login.chicagomanualofstyle.org.rosi.unk.edu (unsafe)
Firefox, Step 1

Your connection is not secure

The owner of 0-login.chicagomanualofstyle.org.rosi.unk.edu has configured their website improperly. To protect your information from being stolen, Firefox has not connected to this website.

Error code: 999: ERROR_BAD_CERT_DOMAIN

Add Exception...
Firefox, Step 3

Add Security Exception

You are about to override how Firefox identifies this site.
Legitimate banks, stores, and other public sites will not ask you to do this.

Server
Location: https://0-login.chicagomanualofstyle.org.rosi.unk.edu/action/loc

Get Certificate

Certificate Status
This site attempts to identify itself with invalid information.

Wrong Site
The certificate belongs to a different site, which could mean that someone is trying to impersonate this site.

Permanently store this exception

Confirm Security Exception  Cancel
Microsoft Edge, Step 1

This site is not secure

This might mean that someone’s trying to fool you or steal any info you send to the server. You should close this site immediately.

Go to your Start page

Details

Microsoft Edge, Step 2

This site is not secure

This might mean that someone’s trying to fool you or steal any info you send to the server. You should close this site immediately.

Go to your Start page

Details

The hostname in the website’s security certificate differs from the website you are trying to visit.

Error Code: DLG_FLAGS_SEC_CERT_CN_INVALID
